Sir,

Receipts & Expenditure.

Statement A
" B
" C
" D

Adverting to your No: 1153-61 dated 30th August 1905, I have the honor to forward herewith the marginally noted annual statements showing the receipts and expenditure in 1904-05 of the Muzroi Institutions under the Palace management. From the Statement A, it will be seen that the total receipts including the balance of the previous year amounted to ₹ 92,868-6-9, and the expenditure to ₹ 78,200-5-3, thus leaving a credit - balance of ₹ 14,668-1-6 as particularized in statement C. The Kannada Account B furnishes details of the actual Receipts and Expenditure. The Muzroi works undertaken by the Palace Marāmat Department are exhibited in statement D.

2. It will be seen that the expenditure incurred comprises mainly ordinary items provided for in the Tasdik: the Marāmat works charged for costing Rupees 1,875-13-9 of which ₹ 857-4-6 were debited to the Palace Muzroi Savings of ₹ 39,544-6-5.

Maharaja's Chatram

Absentees:-22
Deaths:----17
Lapses:---- 7

3. There were 435 persons on the Kangalarakki Roll receiving 7414¼ sers rice-dole on the 1st July 1904; of these 46 persons were struck off from the List on account of deaths, continued absence & lapses, &c.,as per margin,during the year,and forty nine persons were newly admitted. The total on the 30th June 1905 was 438 persons receiving 7,635¾. sers at a cost of ₨863-0-9 at the present year's contract rates. The monthly grant of ₨750/-has thus had to be somewhat exceeded owing to the latter rates being higher than during the previous year. To secure proper control over the daily Santarpané and Sadābarth allowances to Bhairāgîs in the Maharaja's Chatram the system of giving tickets was experimentally introduced from 27th January '05. The experiment, as already reported,is working well.

Japadakatté Math.

4. The Japadakatte Math,one of the Institutions Under the Palace management is in receipt of an allowance of ₨29-1-5 a month. The Priest Gurupādasvāmi ( Ayya ) died on 5-5-1905. His successor has not yet been nominated. The allowance of Rupees 29-1-5,a month,has accordingly been held in abeyance pending the appointment of a new Priest.

Appointment of a new Dharmadarsi.

5. Panditaratnam Kastûri Rangāchār was appointed as Dharma Darsi in Government Proceedings No: 2842 of 7-2-1905 in place of Mr. Lakshmînāranappa who resigned: he has been of much service in the supervision of Temple affairs,especially Vishnu Dévālayās.

**H.H. the Maharaja's Sanskrit College.**

6. During the year under report, increases to some of the deserving Masters in the Maharaja's Sanskrit College were sanctioned by Government. Pandit Hassan Narasimha Shāstri, Sāhitya Teacher, was transferred to the Government Normal School, Mysore, and Pandit Māyakondada Krishnāchār was appointed to succeed him.

On the 30th June 1905, there were 192 students on the Rolls of the several classes of the College as against 159 on the same day of June 1904 as detailed in the margin.

-ms chattram had inam lands assessed at Rs 79/ subject to the payment of a jodi of Rs 11/-, but it was finally closed and the lands were resumed to Government.

Hindu Temples.

6. The number of Hindu temples enjoying cash grants from Government is 677, some of which are also in the enjoyment of inam lands. In addition to these, there are 1104 temples maintained purely from the proceeds of inam lands.

7 The cash grants to the institutions remain unaltered.

8. The income from Government cash grants and inam lands is supplemented in the case of some temples by the proceeds of interest on endowments made by private individuals for the performance of services, such as Nandadivige, &c, specified by the endower known as Pedunat Fee [illegible] No

been kept of these endowments and the Amildars concerned were directed to see to their proper management.

Taluk, the Sri Rishya Sringeswaraswami temple at Kigga in the Koppa Taluk, and the Sri Kodanda Ramaswami's temple at Hiremagalur, Chikmagalur Taluk, Nos 1, 2 and 3 in the foregoing list, are the most important among the Hindu temples in this District, excepting of course the Sri Saradamba temple and the Sringeri Matt.

The Tasdik Patties of these 3 temples have been revised by the Muzrai Secretary and the management of the inam lands attached to these temples now vests with the Government.

The jewellery of the temple of Sri Kalaseswaraswami at Kalasa in the Mudgere Taluk were inspected by Mr. T. Chokkanna Assistant Commissioner during the jamabandi of the Taluk and found

During the year under report, the affairs of the Venkataramanaswami temple at Megur, Koppa Taluk, which was, through the negligence of a Vahivatdar, thrown into confusion, were set right and regular Tasdik Patties have been framed and sanctioned as per G. O. No 761-2 dated 17th August 1904.

ass allowances to Temples.

12. The temples of Sri Kalaseswaraswami at Kalasa in the Mudgere Taluk, and the Sri Lakshmikantaswami at Devanur, Kadur Taluk are the only two temples in the District which receive an allowance of Rs 9-10-" paid annually from the Muzrai Funds under the head "Yograss".

Jain Basties

13. There exists only one Jain Basti at Singangadde in the Yedahalli Sub Taluk, enjoying inam lands assessed at Rs 248-8-, subject to the payment of a jodi

of Rs 9-12-0 to Government

indu matts.

14. There are 21 Hindu Matts in the District, 4 of which are in the enjoyment of cash grant from Government and the rest are endowed with inam lands. The following table shews the names of the principal matts in the District.

15 The most famous institution of India, viz: the Sri Sringeri matt, which enjoys an extensive jahagir, as well as the Sarvamanya villages of Belvadi in Chikmagalur Taluk and Sirkird Koppa Taluk, is under

the management of His Holiness the Jagad Guru.

16. The lands belonging to the Hariharpur Matt in the Koppa Taluk as well as those of the Bisagani Matt are at present under Government management.

17 A sum of Rs 349-1- per annum is paid from the Koppa Taluk to the Sri Palamavara Matt at Udipi in the South Canara District but the expenditure is not subjected to the scrutiny of the Mysore Authorities. It would be well to obtain from the Collector of South Canara a certificate annually as to whether the object for which the allowance is granted, is fulfilled or not, as suggested by my predecessor in the previous year's report, or better still to direct Mr H. Raghavendra Rao, the Mysore Govt Agent for Sri Vyasaraya Matt, to

do what is necessary in the matter.

Mahommadan Institutions

18. Among the Mahommadan institutions in the District, the most important is the Sri Guru Dattatreya Bababuden Darga in the Chikmagalur Taluk. This Darga is located on the Bababuden Hills or Chendradrona Parvata which is the cradle of the coffee industry in Mysore. This institution is in the custody of a Musalman Khalandar.

At present, the post of Sajjade, or manager, of the Darga is held by Mr Syed Mruttyunja Sha Khadri whose succession to the late Mr Syed Ghaus Sha Khadri, Khan Bahadur, was recognized by Government in Proceedings No $\frac{1159}{\text{Muz } 33-01}$, dated 24th November 1902. As a mark of honor, he enjoys the privilege of exemption from personal attendance in Civil Courts & from the operations of the Arms Regulation. The inams granted to the Darga consist of the Sauvanniya village of Suraguppe, assessed at Rs 0306, and three-fourths of the revenue of the coffee lands comprised in the village of Dattatreyapet, Chikmagalur Taluk. The latter village is under the management of Government under the authority of G. O. No 710-11-7 dated 28th April 1884.

The income from these villages amounts to about Rs 927 and is devoted to the maintenance of worship in the Darga and to the feeding of Fakirs and others who resort to the Darga on pilgrimage.

**Khazi Allowances**

19. The Khazis receiving

residing at Aldur, Chikmagalur, Sakreptna, Ajjampur, Lakvalli and Yedahalli are in receipt of an annual allowance of Rs 7-4-0 each and the Khazi at Timmapur in the Kadur Taluk enjoys inam land assessed at Rs 14/-

rsonal or Varshashanam allowances

20 There are 22 instances of hereditary allowances granted to individuals for personal benefit and the allowances amount to Rs 259-12-0 per annum.

The large decreas
of Rs 10,504-10-6 under
the head "Land Revenu

is chiefly due to fall in the revenue derived from sandal owing to little or no wood having been offered for sale durin the year. The collectin during the previous year of old outstanding balances which went to swell the receipts of that year also accounts for the decrease observed in this report

The income under the head of ʿMohatār represents the rent derived from shops held during jatthras It is a fluctuating item.

The variations in the other items call for no remarks.

Expenditure 23. The expenditure under various heads during the year under report amounted to Rs 21,551-11-2 against Rs 24,050-3-0 in the year previous, as shown in the statement below

| tems of Expenditure | 1903-04 | 1904-05 | Remar |
|---|---|---|---|
| stablishment charges of temples etc | 7,918 8 0 | 3,589 7 1 | |

| Miscellaneous Expendi- | 4,254 4 5 | 7,969 13 10 | |

The decrease of Rs 6,801-6-10 in items Nos 1 and 2 is explained by the fact that during the previous year a large sum was paid on account of arrears of establishment, Padittharam and other charges in the Rishya Sringeswara temple at Kigga.

The increase of Rs 3,715-9-5 in item No 6 is chiefly attributable to payments made for works which were commenced last year, but completed during the year under report

Closing Balance.

24. Deducting the expenditure of the year under report from

from the total receipts including the previous year's balance, there remained a closing balance of Rs 1,96,279-2-0 as per particulars given hereunder.

There is however a small decrease of Rs 341-15-2 in the year when compared with the corresponding figure of the year previous viz Rs 5918-11-9. This is chiefly due to the exclusion in the current years' account of the income of Alur village endowed to the Sri Uttaradi Matt at Holenarasipur which has been recently taken over under the Government management and the revenue of which is being remitted to the Secretary in the Muzrai

Muzrai Department for investment in the Savings Bank Deposit

Chatrams.

13 There are in all 10 Chatrams in this District of which the following 8 have Government grants aggregating Rs 3407-15 " per mensem.

1 Chitaldrug
2 Challakere
3 Hiriyur
4 Holalkere
5 Harihar
6 Komaranahalli
7 Bommagondankere
8 Hangal

The Chatrams at Chitaldrug and Hangal have been closed from the 4th August 1896 and from January 1898 respectively to accumulate funds required for the Construction of the Chatram at Chitaldrug (vide Government Order No 5634 / Muz F 3494 dated 22nd November 1898), which is nearing Completion The Amildar has been directed to get the work completed early so as to allow of the renewal of the issue of raw-rations to the travellers. A plan and an Estimate for the construction of the Chatram at Hangal were submitted for sanction with my letter No 70 dated 7th August 1905. The old Chatram building at Hiriyur having been disposed of by public auction owing to its situation in an unhealthy quarter, it is under contemplation to locate the Chatram in a portion of the Musaferkhana nearer the old town for which purpose a recommendation will be submitted in due course.

The other two Chatrams are private institutions, the one at Aimangala in the Hiriyur Taluk and the other at Kodaganur in the Davanagere Taluk. These endowed with Inam lands for their up keep.

Temples.

14. The annual allowance of 2 maunds of sandalwood sanctioned for the use of the temples at Harihar, and Komaranahalli seems to have been withheld for some years past. The matter is under enquiry

15 The Sri Tyaramalleswara Swami temple at Heriyur, a major institution, endowed with an Inam village was hitherto under the sole management of the Dharmadarsis who were spending out of the income of the temple without first crediting the latter to the Treasury. This and other defects of management were brought by this office to the notice of Government and the orders contained in Government Proceedings no. $\frac{2188\text{-}9}{\text{Mrg}}$ dated 10$^{th}$ December 1904 have been fu

given effect to

16 The Sri Lakshminara-simhaswami temple at Horakeredevarpur in the Holalkere Taluk is another important institution, the affairs of which were in an unsatisfactory State. Propos for the better management of this Institution were Submitted to Government an met with the approval of Government (vide Proceeding No: $\frac{2481-2}{Muz}$ dated 16 8 January 190 The Government Orders have been duly given effect to.

17 There were reported during the year two cases of theft committed in the two important Institutions Viz, Sri Utsavangamma's temple at Chitaldrug an Sri Harihareswaraswami temple at Harihar Both these

these cases are under Police investigation and final reports are awaited.

**Matts**

18. It having been ordered by Government in their Proceedings No $\frac{1621-36}{\text{muz}}$ dated 9th November 1904 that all inams endowed to the Sri Uttaradi matt at Hole Narasipur should be attached and taken under Government management, the Inam village of Alur in the Hiriyur Taluk which was endowed to the said matt was accordingly attached and taken under Government management during the year and the collections are being remitted to the Bangalore District Treasury by means of Public Service Transfer Receipt drawn in favor of the Secretary, Muzrai Department, for investment in the Government Savings Bank. The

village

village of Vasana in the Harihar Sub-Taluk which had also been similarly attached has been since ordered to be restored to the manager of the Brindavana of Satyasandhaswami of Mahishi in the Tirthahalli Taluk under Government Proceedings No $\frac{3890-2}{muz}$ dated 22^d April 1905.

19. The appeal petition of the managers of Ahmed Shah Gumbaz at Chitaldrug to restore to their management the Sarvamanya village of Sappankere in the Chitaldrug Taluk endowed to the said Institution which had been brought under the manage-ment of Government, was rejected by Government in their order No 3052-5 dated 21st February 1905. Under the same order, a definite scale

of Establishment and other Charges has been fixed and Syed Ali Sab, one of the share-holders has been appointed as the manager of the Institution subject to the supervision of the Amildar of Chitaldrug

Most of these institutions enjoy also an income

from Grants of land and
from donations made
by private individuals.
In addition to these In-
-stitutions there are many
Institutions enjoying Land
Grants only.

Opening balance

2° The balance in favor
of the Institutions enjoying
both Land and Cash
Grants on 1st July 1904 was
Rupees 9695-8-0 as per
annual accounts for
1903-04 submitted from
this office. This balance is
exclusive of the sums
deposited in the Govern-
ment Savings Bank in
favor of the several
Institutions. As in the
accounts rendered from
Taluks for 1903-04 most
of the Tahsildars failed
to include in the opening
balances of the respective
Institutions the sums
available in Savings
Bank deposits, care has now
been taken to add the

sums deposited in Government Savings Bank to the running balance of the respective institutions thus the correct balance in favour of the institutions in the District as it stood on 1st July 1904 was Rs 38360-11-7 made up of Rs 373-8-5, the undisbursed portion of Government allowances and Rupees 37,983-3-2 the receipts of institutions under the management of Local Officers. The following statement gives the details under different heads.

| Institutions | Undisbursed portion of Government allowances | Receipts of Institutions under Local Officers | Total |

The total receipts during the year under report including the interest on Government Pro: notes and sums invested in the Savings Bank and the State grant towards special feeding, repairs &ca, as well as the income from lands and offerings from devotees and other sources amounted to Rs 11154-6-9 against Rupees 12,593-2-7 as contrasted below:

| Serial No. | Institutions | Total Receipts |  |  |  |  |  | Comparison |  |  |  |  |
|---|---|---|---|---|---|---|---|---|---|---|---|---|

though there is a perceptible decrease of Rs 1,502-9-10 under sub head (3) on "Temples", yet the receipts under this head during the year under report must be said to have been comparatively fair taking into consideration the large income of Rs 4,295 received purely from Pappa Kanike and other Miscellaneous heads excluding the amount of Government grant towards Padithara and other allowances. The increase of Rupees 6,284-11-2 under this head (Temples) during 1903-04 was mainly due to the transfer effected in the Savings Bank accounts of from the names of private individuals to the names of the Institutions themselves. The slight increase and decrease under other heads call for no remark.

4. During the year under report the total amount available for expenditure was Rupees 9,521-2-4 inclusive of the opening balance of Rupees 8,366-1-7 on 1st July 1904, the latter figure being made up of Rupees 7095-8-0, the closing balance according to the last year's account, 9030: ma Rupees 28,671-3-7 which has been held in Savings Bank Deposit for several years, but in the names of the different Institutions and which ought to have been added on to the opening balances of the Institutions concerned

The increase in expenditure from outstanding balance in favour of the several institutions was incurred mostly in the Temples and, which Temples in connection interested in the Institution having taken special interest in celebrating Ootsavams and feeding the poor on a large scale on occasions of the different festivals in the year. The temple of Hattiyal Narasimhaswami in the Tiptur Taluk is gradually growing in importance and is resorted to by people from different and distant parts all round the year and the amount at the credit of this single temple at the close of the year under report was Rs: 5,171- which has also been held in the Government Savings Bank Deposit. With a view to fix the scale of Expenditure in the temple in question particulars have been

Called for from the Taluk and a draft Sanad Kay. Patta will be submitted to Government for sanction in due Course.

Establishmen

In conclusion I beg to bring again to the notice of Government the urgent necessity for an establishment for the Muzrai Department in the District Office where the work has increased enormously which cannot be satisfactorily attended to without an adequate establishment.

have long ago recognised that the Muzrai work of this District is second only to that of Mysore District where there is at present an establishment of three clerks.

I beg that early orders of Government may kindly be obtained to my proposals submitted with this office letter No $\frac{423}{S}$ dated $\frac{16}{19}$ th December 1904 for the entertainment of separate establishment for the work of the Muzrai Branch of the District Office.

13. Establishment for the Department.

There is no separate establishment either in the Taluk or District Offices, one of the Revenue accountants being deputed to do the work in the District office in addition to other work -- an arrangement which is in my opinion cannot be expected to work satisfactorily.

I think it necessary that a separate establishment should be sanctioned to deal with Muzrai work in the District and Taluk offices.
